## ETERNA: FLAMES OF CASTELDURANTE

Unexpected and unrepeatable is the moment when love manifests itself. Deep, enduring, romantic, unconditional; capable of enchanting like a sweet melody; it upheaves the heart, awakens emotions, caresses the deepest chords of the soul.

"Eterna: Flames of Casteldurante" celebrates love and its grand power; it is an invitation to live intensely and passionately the fleeting moments and surprising instants, letting oneself be carried away by the magic of feelings.

Just as love burns in the hearts of lovers, generating a perfect union between body and soul, so

does the warmth of a fairy-tale territory shape the purity of the material, making it a source of enchantment.

An invaluable treasure of Italian artisan tradition, an ideal combination of skill and ardor, the exclusive offspring of the ancient place that bears its name, Casteldurante ceramics is the perfect expression of love for art.

The clay material is skillfully and patiently shaped by the master craftsmen of Vodivi, who, refining the ancient processing techniques, create extraordinary masterpieces of shapes and colors.

## VENA: CRYSTALS FROM APUAN ALPS

The poignant beauty of first love, the eternal sworn fidelity, the clash of fate and desire, the courage to fight adversity, the overwhelming passion that animates the feeling.

In every love legend shines the power of an authentic and pure promise that only those who choose each other each day recognize as a commitment to eternal love. "Vena: Crystals of the Apuan Alps" is inspired by the limpid and imposing beauty of these majestic peaks.

Its craggy slopes rise skyward as if to invoke the power of the one sentiment that moves everything. Among the mighty Alps, wild nature blends with the millennial history of the place that

hosts them, thus creating the perfect backdrop for a legendary love story.

Always kept in the heart of the Tuscan heights; hard, cold and heavy is the raw material extracted from there. Skillfully shaped it becomes the white and crystalline diamond that makes this land proud: the marble of Carrara.

Made with passion and sacrifice by Vodivi's master craftsmen who refine the ancient processes of working it, creating an unrepeatable enchantment for those who observe it and an eternal value for those who possess it.

## WE NARRATE ITALIAN CULTURE THROUGH THE STORIES OF OUR TERRITORIES

Moved by a passion for the culture of the Italian territories, Vodivi offers exemplary testimonies of Made in Italy craftsmanship, refined and timeless creations made with rare, precious and natural materials, selected with scrupulous attention and unparalleled dedication.

Sculptors, painters, glassmakers, chisellers, goldsmiths, weavers and ceramists compose each Vodivi work through the skilful use of ancient working techniques unique in the world, handed down exclusively from generation to generation.

The inspiration that nourishes the passion stems from the deep desire to transmit the values that characterize it, from the enchanting colors of Murano glass to the indissoluble Carpegna print;

from the prestigious ceramics of Urbania to the ancient techniques of Calabrian weaving; from the delicate pink stone of Monte Subasio to the majestic marble of Carrara, to the magnificence of Roman granulation in which miniaturize grains of unforgettable personalities.

The history, lives and memory of Italian places translate into careful control of the entire value creation process, which is sustainable, responsible and deeply sensitive to reductions in its impacts.

The Vodivi philosophy thus becomes a promise kept, a pact of eternal beauty, a path of refined elegance, the bulwark of majestic art, the reminder of timeless Italian culture.

## CRAFT AN ORIGINAL.

Vodivi creates a distinctive experience of individual involvement and expression through unforgettable emotion; it urges one to shape one's fantasies and harmonize them perfectly with one's essence. Skins are transformed into colors ensuring the identification of the tone most akin to the motions of each soul.

The meticulous offering of fine, rare and authentic materials lends character to the creations, enhancing tactile perception and ensuring visual astonishment. The textures offered cover a wide range of selections, from smooth, classic and refined to hammered, modern and versatile, from animal motifs, bold and transgressive, to geometric and circular, more elegant and sophisticated.

Attention to detail extends to the choice of lining, which offers shades and nuances, capable of

making every revelation a moment of wonder. Silks and satins compose soft protective textures, soft on the skin and luminous to the eye.

What makes Vodivi unique is the ability to translate distinctive details into form. Each individual insert, put at the service of individual preferences, draws its origins from a defined place, carrying with it the inexorable flow of time and the priceless traces of its provenance.

Through the meticulous selection of colors, the careful choice of materials and the refined work of expert hands, Vodivi offers the opportunity to sublimate one's personality and enhance one's unique and unmistakable style.

## CRAFTSMANSHIP

Guided by the millennial force of history and wrapped in the inestimable richness of culture, art, craftsmanship and passion are translated into the Vodivi philosophy.

Production processes rely on the use of natural materials, worked with scrupulous attention by Vodivi artisans, who are unique in their history and skill, as well as in the attention and sacrifice they give to each individual creation. With dexterity and profound knowledge of ancient processing techniques, they give life to unparalleled creations.

In each line, one can sense the essence of traditions handed down through the ages, an unbreakable link to roots that drag us back to a glorious past when art was the soul of creation.

This extraordinary skill is fueled by a burning passion, a fire that burns unquenchable in the depths of the heart. This passion manifests itself in the scrupulous attention to each and every detail. In the flawless stitching, impeccable finishing touches and the highest quality materials, one can discern all the love and commitment poured into each work fashioned. It is this passion that breathes life into the Vodivi collections, giving them an aura of authenticity and priceless value.

Unconditional respect for the land guides the hands, transforms talent into a storyteller of unique

stories and experiences, faithfully evoked in every form.

The inspiration that nurtures Vodivi's passion stems from the deep desire to pass on the values that characterize it, in which it is immersed and that it wants to pass on through the ages.

From the wonders of Murano glass rise luminous chromatic spheres; from the indissolubility of the Carpegna print, suggestions are painted on textiles; from the fineness of Urbania ceramics, the art of creating fiery clays is revealed; from the power of ancient Calabrian weaving techniques, the paths of millennia-old lives are woven; from the fragility of the pink stone of Mount Subasio, deep fragments of ancient mountains are chiseled; from the majesty of Carrara marble, crystals of memory carved in myth are extracted; from the magnificence of Roman granulation, grains of unforgettable personalities are miniaturized.

Within this framework of inspiration and craftsmanship, homelands, respect for nature and the search for sustainable materials come together in unique harmony shaping collections that hold the magic of ancient techniques and the roots of a boundless artistic culture.
